Enclosure: (A) Purpose of Estimate and Cost Breakdown  
TD 4003C

(B) Purpose of Estimate and Cost Breakdown  
TS 4002C

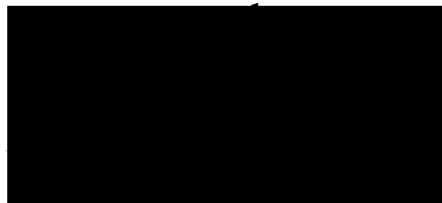

Dear Art:

Enclosures (A) and (B) are transmitted for your evaluation and subsequent negotiation under Contract No. 63-091.

Both changes are presently in work and are being incorporated into the camera systems under this order. I would appreciate your advising me as to their acceptability and arranging for a meeting to negotiate the final cost.

Thank you for your cooperation in this matter.
